

BIRDY CALL

TALK BIRDY TO ME

Product Description

It's springtime in the forest, and all the birds are looking for a mate to produce some eggs! In a kuh kawphony of unique mating calls, all the birds try to get their potential mates to respond. Are you great at mimicking the sounds your birds make, and can you successfully find their mates and produce eggs? Watch out for pairrots who falsely imitate your sounds, and all sorts of other tricky birds. It may cost you...
Kuh Kawww!

Contents:

- 44 normal bird cards (22 males, & 22 females)
- 11 eggstra bird cards
- 25 wooden eggs
- game rules

Gameplay

Your objective is to find mates (same species, different gender) for the birds on the cards in your hand. Each bird has only one possible mate. During the game you are not allowed to talk. Instead, you try to convey to the other players which birds you have in your hand by mimicking the bird calls that are stated on the bottom of your cards. All players play and make bird calls at the same time!
